Terms & Conditions of Sale

1. Acceptance

ChemPep accepts buyer's orders solely upon the terms and conditions stated herein, unless buyer stipulates any other different or additional terms or conditions, in any form whatsoever, notwithstanding. Acceptance of buyer's orders by ChemPep is expressly conditional on buyer's acceptance of these terms and conditions.

2. Prices & Payments Terms

All prices are in U.S. dollars and are subject to change without notice.

Terms are net 30 days. Overdue payments are subject to a 1.5% monthly service charge (18% annual).

For first time customers, full or partial pre-payment might be required.

3. Shipping

ChemPep Inc. uses FedEx (or equivalent). We will pre-pay and add the shipping charges to the invoice as separate items. Foreign customers are responsible for duty and taxes as required by their customs agency.

4. Taxes and other charges

Any use tax, sales tax, excise tax, duty, custom, inspection or testing fee, or any other tax, fee or charge of any nature whatsoever imposed by any governmental authority, on or measured by the transaction between Seller and Buyer shall be paid by Buyer in addition to the prices quoted or invoiced. In the event Seller is required to pay any such tax, fee or charge, Buyer shall reimburse Seller therefore; or, in lieu of such payment, Buyer shall provide Seller at the time the order is submitted an exemption certificate or other document acceptable to the authority imposing the tax, fee or charge.

5. Patent Disclaimer

ChemPep's products may be covered by use and/or application patents. ChemPep, Inc. DOES NOT WARRANT that the use or sale of the products delivered hereunder will not infringe the claims of any United States or foreign patent or patent application covering the product itself or the use thereof in combination with other products or in the operation of any process. The buyer is solely responsible for any patent infringement resulting from his use of our products.

6. Warranty Disclaimer

No warranties by seller (other than warranty of title as provided in the uniform commercial code) shall be implied or otherwise created under the uniform commercial code, including but not limited to warranty of merchantability and warranty of fitness for a particular purpose.

7. Claims for Lost or Damaged Shipments

All products are sold FOB Seller's shipping point unless otherwise noted. Delivery of goods to the carrier at Seller's plant or to other loading point shall constitute delivery to Buyer, and regardless of shipping terms, Buyer shall bear all risk of loss or damage in transit.

Buyer should inspect and test all packages immediately upon the receipt of any goods shipped. Any claims of damage, shortage, or defect should be reported in writing to our Customer Service Department as soon as possible. Claims for these discrepancies must be made within ten (10) days of receiving the materials. If Buyer fails to report such a claim in ten (10) days to Seller, such goods shall conclusively be deemed to conform to the terms and conditions hereof and to have been irrevocably accepted by the Buyer.

8. Returns

Return shipments will NOT be accepted unless we have given prior permission and complete shipping instructions. A twenty (20) percent restocking fee applies to all returns. Returns will NOT be accepted after thirty (30) days from the date when products arrived at the customer's delivery location.

9. Order Changes & Cancellations

Orders arising hereunder may be changed or amended only by written agreement signed by both Buyer and Seller, setting forth the particular changes to be made and the effect, if any, of such changes on the price and time of delivery. Buyer may not cancel this order unless such cancellation is expressly agreed to in writing by Seller. No orders can be cancelled once the production has begun.

10. Terms of Use

All ChemPep products are sold for Research & Development use only. They are NOT intended for drug, household or any other uses. All products must be handled by professional staff or qualified individuals experienced in handling potentially hazardous chemicals. We will reject orders from private individuals not affiliated with an organization. We reserve the right to insist on a written order and/or references before proceeding with an order. The buyer may be asked to provide a written assurance that products not be purchased/resold for an improper use.

11. Limitation of Consequential Damages and Indemnification

Buyer acknowledges that there may be hazards associated with the use of certain products offered. Buyer agrees that their personnel concerned with any such products are aware of the hazards and assumes all responsibility for the warning of their employees and independent contractors of all hazards to persons and property in any way connected with the products, and Buyer agrees to instruct their employees, agents and customers to use safely such product. Buyer also assumes all responsibility for the results of using any product offered in combination with other articles or substances, and in any manufacturing process, and for the ultimate safe disposal of the product in accordance with applicable laws.

ChemPep's sole obligation and the Buyer's exclusive remedy with respect to products proved to ChemPep's satisfaction to be defective or nonconforming shall be return of such products to ChemPep, and refund of the purchase price actually paid therefore by the Buyer. ChemPep, Inc. shall not be subject to any other obligations or liabilities, whether arising out of breach of contract, warranty, tort (including negligence and strict liability) or other theories of law, with respect to goods sold or technical services rendered by ChemPep, or any undertakings, acts or omissions relating thereto. Without limiting the generality of the foregoing, ChemPep specifically disclaims any liability for property or personal injury damage penalties, special punitive damages, damages or lost profits or revenues, loss of use of product or any associated equipment, cost of capital, cost of substitute products, facilities or services, down-time, shut-down, or slow-down costs, or for any other type of economic loss and for claims of the Buyer's customers or any other third party for any such damages. CHEMPEP, INC. SHALL NOT BE LIABLE FOR AND DISCLAIMS ALL CONSEQUENTIAL, INCIDENTAL AND CONTINGENT DAMAGES WHATSOEVER.

The Buyer shall indemnify ChemPep, Inc. from and against any and all losses, damages and expenses (including attorney's fees and other costs of defending any action) that ChemPep may sustain or incur as a result of any claim of breach of contract, tort (including negligence, breach of implied warranty, strict liability in tort) or other theories of law, by the Buyer, its officers, agents or employees, its successors and assigns, and its customers, or other persons, whether direct or indirect, in connection with the use of the product furnished hereunder.

12. TSCA Regulations

Buyer should acknowledge that ChemPep's products are intended for research and development purposes only, and that he will use the products in accordance with all applicable government regulations, including but not limited to those described herein. Buyer acknowledges that he is familiar with the provisions of the Toxic Substances Control Act exemption for research and development found in 40 CFR 720. Buyer agrees to notify ChemPep in writing if his use of ChemPep's products is intended for manufacturing as defined in the Toxic Substances Control Act. Buyer further agrees not to use ChemPep's products in manufacturing unless and until Buyer and ChemPep have confirmed that the product is listed in the TSCA Inventory List or that a pre-manufacturing notification has been filed and approved by the United States Environmental Protection Agency.

13. Technical Data

The physical properties and other data contained in this catalog are obtained from our own data and from literature references. ChemPep assumes no responsibility for the accuracy or completeness of such data. Buyer agrees that he has the responsibility to fully determine the accuracy and completeness of any technical data concerning any product or use.

14. Miscellaneous

Seller's failure to strictly enforce any term or condition of this order or to exercise any right arising hereunder shall not constitute a waiver of Seller's right to strictly enforce such terms or conditions or exercise such right thereafter. All rights and remedies under this order are cumulative and are in addition to any other rights and remedies Seller may have at law or in equity. Any waiver of a default by Buyer hereunder shall be in writing and shall not operate as a waiver of any other default or of the same default thereafter.

If any provision of this Agreement shall be held to be invalid, illegal or unenforceable, the validity, legality and enforceability of the remaining provisions shall not be affected or impaired thereby. The paragraph headings herein are for convenience only; they form no part of the terms and conditions and shall not affect their interpretation.

This Agreement shall be binding upon, inure to the benefit of, and be enforceable by, the parties hereto, and their respective heirs, personal representatives, successors and assigns.

Orders

Please use our [Online Order Form](#) to place your order.

Orders are also accepted by telephone, fax or e-mail. Weekdays hours are 9:00 a.m. - 5:00 p.m. (EST), Monday through Friday.

Phone: 561-791-8787

Toll Free: 1-888-615-9178

Fax: 561-791-8728

Email: service@chempep.com

For faster service, please include the following information with each purchase order:

- Purchase order number
- Catalog number/Product name/Description of the product
- Quantity/Prices/Total value
- Contact person
- Billing address and shipping address
- Preferred shipping method
- Signature by duly authorized person

Payment Methods

We accept check, wire transfer, and credit card.

- To pay by check, please make it payable to ChemPep, Inc., and send it to our mailing address.
- To pay by wire transfer, please contact us for our bank information.
- To pay by credit card, please call us or fax to us the following information: (1) card type, (2) card number, (3) card holder name, (4) expiration date, (5) CVV number, (6) credit card billing address. We accept all major credit cards (Visa, MasterCard, American Express and Discover). You may use our [credit card payment form](#) (in PDF format).

Bulk Orders

A significant discount will be offered for bulk orders or annual supply contracts.

Custom Peptide Synthesis

With extensive experience in solid and solution phase synthesis, ChemPep offers custom peptides of the highest quality at the most competitive price.

Custom Peptide Price Estimation

(US \$/Residue)

Quantity/Purity	Crude	Desalted	>70%	>80%	>90%	>95%	>98%
5 mg	\$11.76	\$14.52	\$16.95	\$24.58	\$30.82	\$35.17	\$47.92
10 mg	\$12.96	\$15.96	\$17.90	\$26.58	\$33.54	\$39.25	\$52.07
15 mg	\$13.20	\$16.20	\$18.67	\$29.06	\$34.71	\$40.46	\$54.34
20 mg	\$13.56	\$16.45	\$19.49	\$30.95	\$36.03	\$43.26	\$57.38
25 mg	\$13.81	\$16.69	\$20.21	\$31.56	\$37.92	\$47.31	\$64.24
30 mg	\$14.26	\$16.91	\$21.43	\$32.48	\$39.33	\$49.47	\$67.40
40 mg	\$15.76	\$18.45	\$24.77	\$34.09	\$41.88	\$53.07	\$72.41
50 mg	\$16.25	\$20.49	\$28.29	\$37.48	\$44.49	\$55.83	\$75.83
100 mg	\$19.21	\$27.98	\$32.40	\$50.64	\$60.21	\$73.83	\$100.42

Notes:

- The minimum charge per peptide is \$200.00.
- Price includes Certificate of Analysis, HPLC and MS reports.
- There is no other hidden charge.
- Please contact us for a quotation on:

* Large scale synthesis (up to kg);

* Peptides with unusual or difficult sequences.

- Significant discount will be offered for large scale peptide synthesis.
- The turnaround time for regular peptide synthesis is about 3-4 weeks.

Modification Capabilities

- N-terminal modification
 - * Acetylation
 - * Formylation
 - * Fatty acid
 - * Myristoylation
 - * Palmitoylation
 - * Succinylation
- C-terminal modification
 - * Amidation
 - * pNA
 - * AMC
 - * NHS
- Peptides containing unusual amino acids
 - * D-amino acids
 - * N-Methyl amino acids
 - * Phosphorylation of Tyr, Ser or Thr
- Fluorescence dye labeling
 - * Biotin
 - * FITC/5-FAM (N-Terminal)
 - * Dansyl (N-Terminal)
 - * MCA (N-Terminal)
 - * HYNIC (N-Terminal)
- Quenched fluorescent peptide
 - * Abz/Tyr (3-NO₂)
 - * EDANS/DABCYL
- Peptide cyclization
 - * Disulfide bridge formation
 - * Amide cyclization
- Protein conjugation
 - * KLH
 - * BSA
- MAPS peptides
 - * Asymmetric 4 branches
 - * Asymmetric 8 branches

Peptide Array

ChemPep has developed a new Peptide Array program for high throughput drug screening. This is the fastest and most economical way to synthesize 96 different peptides, unbound, in a 96-well format. Each plate is individually tested for accuracy and can be used for epitope mapping, libraries, protein characterization and much more.

- 96 crude peptides per plate in 96-well format
- 2.5 - 50 μmol (3.0 mg average for 2.5 μmol of 12 mer peptide)
- Up to 20 amino acids in length, average 75% purity
- Minimum order: 48 peptides
- No cross contamination
- 2-3 weeks delivery
- ChemPep does not guarantee the purity or success of any one peptide on an array plate.

Custom Organic Synthesis

You design it, we synthesize it.

ChemPep delivers high-quality custom organic synthesis and contract research services necessary to accelerate your internal research and development programs. We give strong support to needs ranging from academic laboratory to a variety of industry areas. We guarantee the competitive price, high quality, fast delivery and strict intellectual property protection.

Services

- Milligrams to kilograms scale
- Building blocks & scaffolds
- Key and advanced intermediates
- Designed compounds for SAR studies
- Reference compounds
- Synthetic pathway design, evaluation and scouting
- Special reagents and other compounds of interest

Every compound from ChemPep is fully certified with HPLC, $^1\text{H-NMR}$ and MS analysis (FT-IR, $^{13}\text{C-NMR}$, 2D-NMR, LC/MS and other supporting data if necessary).

For quotation or other information, please contact us. Please specify clearly the structure, purity, quantity and CAS number (if available) of the interested compound(s).

Chiral & Achiral Chromatography Services

The biological activity of chiral substances often depends on their stereochemistry. A large percentage of pharmaceutical compounds are enantiomers and the importance of chirality of drugs has been increasingly recognized.

Chiral chromatography has become a preferred method for rapid separation of enantiomers in pharmaceutical industry. To accelerate our customer's research, ChemPep offers comprehensive and cost-effective chiral and achiral methods development and sample analysis services.

Chiral methods development and analysis

- Chiral column screening and chiral methods development in short turnaround time
- Chiral methods development for starting material, intermediate, and product
- Chiral method development for asymmetric synthesis
- Enantiomeric purity determination, %ee, with and without separating enantiomer
- Stability of chiral molecules in different media and/or different temperature
- Enantiomeric purity check of formulated products
- Method development for diastereomer
- Determination of diastereomeric ratio
- Determination of absolute configuration

Achiral methods development and analysis

- Column screening for fast methods development
- Method development for in process control
- Stability study for formulated products
- Degradation studies
- Analysis of pharmaceutical/chemical/food and fragrance compounds
- Analysis of protein
- Analysis of peptide
- Analysis of polymer

Custom Purification Services

ChemPep offers custom purification services for both industrial and academic customers.

We can purify:

- fine chemicals and synthetic intermediates
- APIs
- synthetic peptides
- isomers (enantiomers and diastereoisomers)
- natural products

Our purification technologies include:

- flash column chromatography
- preparative HPLC
- chiral HPLC
- recrystallization

The scale of our purification ranges from milligrams to kilograms. ChemPep will develop purification method and send the purified product to the customer. We can also provide characterization service by modern analytical instruments (NMR, MS, IR, HPLC, optical rotation, melting point and etc.) upon request.

Please send your question and/or quotation request to service@chempep.com.

Thank you for choosing ChemPep!
